

## BIG PLANS!

For those of you who couldn't join us for the "Back-to-School Showcase" this past Wednesday, you missed a fun evening!

Thanks to the culinary skills of Delle Tyler, the hospitality of our SFHS Ambassadors, and the Warrior spirit of our parents, students and teachers, we "passed a good time," as they say in my neck of the woods. We have big plans for the school year and are so excited to share those with you.

Wednesday's event marked the LAST PTO meeting of the year!

That's right; we've revamped the PTO this year, and are focusing on organizing community events for our school family which will NOT be fundraisers! On top of that, our newly established Office of Development has hit the ground running. Stephanie Crone, Alumni Relations Director, has published our first alumni newsletter, which can be viewed at [http://www.stfrederickhigh.org/alumni\\_reunions\\_events.htm](http://www.stfrederickhigh.org/alumni_reunions_events.htm)

Here's just a sampling of what's to come in the next few months: · Cochon de Lait Tailgate Party, 5:30 p.m, Sept. 18, Chip Luffey Field. Join us before the Warriors' victory over the Cathedral School for food and fun. If you want, you can even bring a dish to share, but it's not necessary . Laissez le bon temps rouler, cher! ·

All My Life I Want to be a Warrior: Homecoming Weekend, with many events planned for alumni and their families: Warrior Tailgate before the game and post-game get-together at Genusa's on Friday, Oct. 2, Welcome Back Warriors school tours and lunch on campus and Cocktail Party at Genusa's on Saturday, and Weekend Wrap-Up with 10:00 Mass in the Chapel of Sts. Mary and Daniel and Brunch on Saturday.

Walk like a Warrior Weekend , Oct. 30-31. This is our feeder school weekend, when we invite 6 th graders from JGS and OLF and 8 th graders from Grace to attend our Pep Rally, football game grudge match to avenge a 22-21 jamboree loss to OCS, and Halloween Dance on Saturday.

Also that weekend: · Warriors Fired Up! Barbecue and Corn Roast , 5 p.m., Friday, Oct. 30, Chip Luffey Field. We'll have families grilling in the tailgate area and sharing their culinary talents with all of us. Bring your own pit if you want! Don't miss Fr. Job's grilled cabrito! Then, stay to see our senior football players honored for Senior Night prior to the Warriors "grillin'" of the OCS Eagles. Yum!

And, because all students get into all of the SFHS sporting events free this year (excluding jamborees , tournaments, and playoff games), you can bring the whole family and spend next to nothing! With all the fun going on around here, who WOULDN'T want to be a WARRIOR?! Stay tuned for announcements of other PTO community events as the school year progresses.

See you in the tailgate area!

God's Blessings, Jennifer Malone
