

# Junior High School Supplies

Learning how to best organize their materials is a big part of the transition to junior high. Please talk with your student throughout the year and help them discover what works best for them. Below is a list of the classes for both 7th and 8th grades. Students will need a binder, loose leaf paper, pens and pencils for use in every class except PE and Art & Design. They may use one binder per subject or combine subjects according to their schedules.

Supplies may be brought with the students to Orientation in August. Students may find their lockers and put their supplies away.

Junior High lockers may be modestly decorated on the inside. No lights, electrical equipment, outlandish, or obstructive decorations are allowed. A mirror, locker shelf, pen/pencil holder, and a few pictures are fine. These items may be brought to orientation along with supplies.

Junior High school supplies may be purchased by using this list or purchased online through our SFHS App.
