

Classroom in the Cloud

What will I need?

1. A computer or a Chromebook.
2. A good internet connection at home.
3. For “Zoom” a webcam if your computer does not have one.

What programs will I be using?

1. Google classroom for assignments to login go to www.classroom.google.com
2. Zoom for video chatting and web conference <https://zoom.us/>

If you are new to google classroom there are quite a few YouTube videos that can also be helpful.
