2019-2020 School Profile

CEEB/ACT Code: 191-835

Website: www.stfrederickhigh.org

Principal: Dr. Carynn Wiggins (cwiggins@stfrederickhigh.org)

Counselor: Lisa Miller (lmiller@stfrederickhigh.org)

Registrar: Rhonda Davis (rdavis@stfrederickhigh.org)

Location: St. Frederick High School is located in Monroe, Louisiana, the birthplace of Delta Airlines and CenturyLink. Monroe is a thriving community with a population of over 50,000 people. Often referred to as “The Twin Cities”, the Monroe and West Monroe area has over 63,000 residents. Monroe is an economic, educational, and medical hub for Northern Louisiana. In Louisiana, the Monroe metropolitan area is expected to see the largest percentage of job growth over the next few years, thanks to public and private partnerships and cooperation at the local, regional, state, and federal levels. Our city is the home of The University of Louisiana at Monroe and Louisiana Delta Community College.

History: St. Frederick has served the community in Northeast Louisiana since 1964. St. Hyacinth Academy, founded in 1864, served the community until St. Matthew School was built in 1927. In 1960, the grade school moved to Jesus the Good Shepherd School. Realizing the need for a Catholic High School, in 1960 Laura Bres Breard Rinehart donated land for the building of a new school in memory of her son, Rae Frederick Rinehart Breard, Jr.

Mission: The mission of St. Frederick High School is to nurture students to be living examples of the teachings of Jesus Christ in an atmosphere of academic excellence.

Philosophy: The aim of education at St. Frederick centers on building community. We are striving to create a vibrant Catholic community of individuals who are working to attain their fullest potential spiritually, socially, intellectually, emotionally, and physically.

Curriculum: St. Frederick’s academic program is on an 8-period schedule with daily classes lasting 47 minutes. Students are allowed to carry a 9th class which is completed online. St. Frederick strives to offer the highest caliber education possible and utilizes the University of Louisiana at Monroe (ULM) and Louisiana Tech to offer many classes for dual enrollment. These classes are designated as ‘DE’ or ‘HD’ on the transcript and carry the same weight as other honors courses at St. Frederick.

Dual Enrollment classes are offered in Advanced Math, Pre-Calculus, Probability and Statistics, Anatomy and Physiology, Biology II, Chemistry II, English IV, American History, World History, Fine Art Survey, Kinesiology, Spanish III & IV, and the following online course including Latin I & II, Medical Terminology, Psychology, Sociology, and Speech.

Transcript Notations: **RG** - Regular Class

RGT - Regular Class transferred from another school

FE – Fuel Education Class (online)

HR – Honors Class

HRT – Honors Class transferred from another school

HD- Honors Class, also taught as dual enrollment class

DE – Dual Enrollment

WGPA – Weighted GPA

SGA – Simple GPA

Rank: St. Frederick does not rank except in the case when a student is first in the class according to Simple GPA or Weighted GPA.

Grade Point Average (GPA) Calculation: Beginning with grade nine, all subjects, whether passed or failed, are included in the computation. A minimum of 24 credits are required for graduation. In addition, each student must complete a community service graduation requirement. Honors courses are weighted one half quality point. Dual Enrollment are weighted one full quality point. Another course that will receive a full quality point is an honors course that is taught in the same manner as the dual enrollment course. Sometimes a student will elect not to receive university credit but has participated in the same rigor within the course. These courses are designated with 'HD'.
